

## Student Fee Waiver

Participants of an exchange program are granted a student fee waiver by the guest university, meaning that they do not have to pay any tuition abroad.

### 'University of Freiburg Global Exchange Program'

The International Office offers spots at partnership universities in the non-European areas of the world. All exchange spots within this program are linked to a student fee waiver.

### ERASMUS: Mobility Grant

Among a student fee waiver, a university spot within the ERASMUS+ program includes an automatic grant of 250-350 € per month

## Scholarships

### German Academic Exchange Service (DAAD)

The DAAD awards yearly scholarships for studies abroad, for placements combining studies and practice, as well as for some special programs such as "language and practice in Japan/China", LL.M. studies, etc. Furthermore, there are scholarships for short-term stays, such as "RISE" or "Go East Summer Schools", certain internships and many more. The application takes place at the DAAD headquarter in Bonn.

### DAAD-Promos Scholarship

This scholarship is a funding program by the DAAD for short-term stays abroad, which is granted directly by the universities. It is the university's decision, which program it wants to fund. At the University of Freiburg, you can apply for the program at the International Office.
